**2014 - Term 4
Achievement Report**

The information contained in this report is a summary of your child's achievement in learning areas studied over the reporting period. Reports will be provided 4 times per year. The report is one of a number of strategies used by our school to communicate with you throughout the year about your child's achievement, effort and behaviour. Parent-teacher interviews are also offered to discuss your child's progress. The ratings awarded are for this reporting period only.

Achievement Codes

Your child's overall achievement in each learning area studied over the reporting period is reported by ratings ranging as follows:

- A Evidence in a student's work typically demonstrates a very high level of knowledge and understanding of concepts, facts and procedures, and application of processes.
- B Evidence in a student's work typically demonstrates a high level of knowledge and understanding of concepts, facts and procedures, and application of processes.
- C Evidence in a student's work typically demonstrates a sound level of knowledge and understanding of concepts, facts and procedures, and application of processes.
- D Evidence in a student's work typically demonstrates a limited level of knowledge and understanding of concepts, facts and procedures, and application of processes.
- E Evidence in a student's work typically demonstrates a very limited knowledge and understanding of concepts, facts and procedures, and application of processes.
- N Insufficient evidence to make a judgment.

Distribution of Achievement Codes

Upon request the school will provide you with written information that clearly shows your child's achievement in the learning areas studied, in comparison to that of other children in the child's peer group at the school. This information will show you the number of students in each of the achievement ratings. This information is subject to privacy of individual students being maintained.
